

**IN THE UNITED STATES COURT OF APPEALS
FOR THE DISTRICT OF COLUMBIA CIRCUIT**

LEARNING RESOURCES, INC., *et al.*,

Plaintiffs-Appellees,

v.

DONALD J. TRUMP, President of the
United States, in his official capacity, *et al.*

Defendant-Appellants.

No. 25-5202

**NOT YET SCHEDULED FOR
ORAL ARGUMENT**

REPLY TO MOTION TO GOVERN FUTURE PROCEEDINGS

Plaintiffs offer just one point in reply to the Government’s combined opposition and motion filed earlier today: The previously negotiated but unadopted schedule—proposed *before* the Federal Circuit’s grant of a stay pending appeal and newly issued schedule this week—has almost the same filing date for the Government’s opening brief (June 24 vs. June 27); the significant expedition is only to *Plaintiffs’* response brief (July 8 vs. July 23). The new proposal, under which Plaintiffs will file shortly after the Fourth of July holiday weekend, still affords the Government 10 full days for a reply brief on Friday, July 18 (*before* Government counsel’s “resource constraints” during “the week of July 21,” Resp. 4 & n.1). The Government offers no persuasive reason for delaying briefing and argument to inhibit this Court’s resolution of the case in parallel with the Federal Circuit’s.

Respectfully submitted,
